

Barbet Fanciers | 2009
Mission Statement:

To pursue honesty and integrity while working together to promote and preserve the Barbet.

To promote the breed through education, responsible ownership and recognized events.

Commit to encourage responsible ownership, including the ethical and humane treatment of all dogs.

Commit to Ethical Breeding Practices:

All breeding dogs tested for inheritable disorders and diseases.

To recognize that the quality & reputation of the Barbet rest squarely with the breeder member.
